

▼ Design Statement

My goal is to make your presentation clear, professional and memorable. I am available freelance or for contract work. I can stand in as a member of your design team or serve as your company's graphic design resource.

▼ Attributes

Creative, professional, experienced, efficient, flexible, happy.
Creativity isn't an excuse for lack of professionalism, enthusiasm grows with experience.

▼ Software

Illustrator, PhotoShop, QuarkXpress, InDesign, DreamWeaver, FreeHand, CorelDraw, Flash and much more. I work daily on both PC and Mac platform computers.

▼ History

Graphic design education at Kent State University.
Freelance graphic design for print- 12 years. Internet design- 7 years.

▼ Portfolio

My work is available online for your review at www.nimon.net, or I'll be glad to present my portfolio in person at your convenience.
