

## ▼ Design Statement

My goal as a designer is to make your presentation clear, professional and memorable. As an instructor, my aspiration is to enable students to explore their creativity, expand their skills and learn to present themselves, their work and their clients in the best light.

## ▼ Attributes

Creative, professional, experienced, efficient, flexible, happy.  
Creativity isn't an excuse for lack of professionalism, enthusiasm grows with experience.  
Sharing the experience makes everyone's light brighter.

## ▼ Software

Illustrator, PhotoShop, QuarkXpress, InDesign, DreamWeaver, CorelDraw, Flash and more.  
I work daily on both PC and Mac platform computers.

## ▼ History
